

I am a supporter of K-LOVE and the station serves a purpose in our community as a listener friendly station with positive, encouraging music.

It would be a great disappointment if K-LOVE was displaced by an LPFM broadcaster providing other programming. There are not many stations that I enjoy listening to and allowing my children to listen. It is hard enough for people to keep a good attitude without having to listen to the negative programming and disrespectful comments of DJ's on many other stations.

Loosing KLOVE in the Phoenix area would be a great loss for so many people. Please protect our right to choose and support our FM radio station.
